

FROM THE LEADERSHIP TEAM

The two Local Arrangements have been based on parables, supported by sketches using a visual Mog the cat and in the second a screen divider. The sketches were written by Chris and the two services put together by Chris with the leadership team taking part. So many thanks to Chris.

David Arnott in his service pointed out that Sundays cannot be a day of rest for everyone but did suggest that time could be set aside during each week as an opportunity to recharge ourselves.

Matt Patis local preacher has visited most recently with birthday cake, and he will be with us on Easter Day. On Good Friday Rev. Dave will lead short reflective service starting at 9.30am
