

CHURCH NEWS

Another very successful bring and share lunch was held on the last Sunday in July. A big thank you to everyone but in particular Sue, Jayne and Chris who organised before the day but also everyone who contributed to our lunch we had plenty for the 22 people who attended.

The thinking is maybe the next one will be on Sunday the 11th October, which will be our Harvest Service with Rev Dave.

At the Open Garden Weekend which was to raise funds for the Liphook Day Centre and our church held at the home of Hazel's parents a number of us were very impressed with the World War 11 Home Front Museum created in a building in the garden. Not only displaying vegetables and housing conditions of the time but a great collection of other war artifacts and a display of Thomas's Lego and planes.

Sadly the hot weather meant at least two hobbies group meetings had to be cancelled and then the World Cup football meant the cancellation of the July meal at the Anchor. Hopefully everything as usual during August and into September.

During the first week of August the Theatre Club will be running and this usually means an afternoon entertainment at the end of the week in the church. More details will be announced in church.
