CHURCH NEWS

We had the sad news of the death of Janice at the beginning of August she and Lorraine had not been with us long but we had all welcomed them into our midst. Rev Dave took the funeral service and a number of our congregation were able to attend.

We had a visit from Christina and Parker most unexpectedly, she recognised us before we did her. Her parents were who were members of our church twelve years ago. Christina commented she did not know many of the people in our congregation. Who would have thought that there had been so many new faces in that time.

It was lovely to see Judith back for a visit and we hope she may come again sometime to keep in touch with her Liphook friends. We do sometimes have visitors who are staying with their family and come to find our church, we may not see them until they are in Liphook again.

The Harvest Service on the 11th October will again be for the Liphook Food Bak and on this Sunday we shall also have another bring and share church lunch. Suggested ideas for lunch please inform Sue Calvert.

On Tuesday the 21st October the Tea and Chat afternoon will be fund raising again for the Phyllis Tuckwell Hospice from 2pm There will be tea and cake to eat as well as for sale, also a bring and buy. Please come along if you are able.
